It's hard to believe, but Diana Eisley worked as a restaurant hostess when our talent scout found her. Now, she's a world-famous big-bust model who just keeps pleasing.

DIANA EISLEY ALWAYS MAKES AN IMPACT.

Dear *Voluptuous*,

I'm sure glad Diana continues to choose to shoot for the SCORE Group. She's very hot and sexy. I loved seeing her J-cups coated with cum last issue (Vol. 32 No. 4). That little bush on her pale skin drives me wild. I would love to taste that slit and rub my nose along her pubes. Let's hope she keeps cumming!–T.S., via email

Dear T.S.: Diana is always a pleasure to shoot. You can watch the video of the fuck scene you mentioned in the movie Fuck My Big Tits! *It's three discs and has 17 other beautiful, busty babes.*

TWO TITTERS WITH WATER GUNS MAKE A SPLASH.

Dear *Voluptuous*,

I'm writing to tell you that the pictures of Lexa Raider and Mishy in the last issue are absolutely amazing. My favorite part was watching those two big, busty beauties spread their legs wide and play with their pussies together. I would have loved to see the camera pull in closer on their slits while they fingered their pretty little holes.–W.L., via email

MARILYN ROUSE CAN CLEAN HIS HOUSE.

Dear *Voluptuous*,

Are you kidding me with covergirl Marilyn Rouse (Vol. 32 No. 4)? She's perfect! I know that it's a trope, but I love the "sexy maid" look. Marilyn isn't the bustiest model I've ever seen in the mag, but she is one of the sexiest. It makes me want to take a trip down to Colombia. There must be something in the water down there because they seem to turn out some seriously boob-heavy women. I think my favorite video scene on the *XLGIRLS* website is the one where Isa Gomez and Angie Bravo dangle their pendulous, caramel-colored tits above the camera. Other things that stood out to me about the last issue are the interview with Kathy Deep, whom I would suggest you bring back as soon as possible, and the special with the best pictures of Micky Bells. She has the best boob-on-boob action I've ever seen, and that earns her a special place in my heart.–O.M., via email

Ahh, the busty housemaid. Who wouldn't want to be served by Marilyn?

Dear O.M.: You are right about Colombia. There's a reason we've been shooting there for more than a decade!

AMBER'S AWESOME ANAL GIVES HIM GOOSEBUMPS.

Dear *Voluptuous*,

Good to see Amber Bloom take it up the ass and not surprising at all (Vol. 32 No. 4). I very much liked the way this pictorial started, where I noticed once again Miss Bloom pulling her panties to the side while she participates in some pussy rubbing and fingering. When Lorenzo then joins in on the action, I observed that Mr. Viota must not be a true boob hound because all of us big-tit men would go straight for Amber's udders. I can't blame him for wanting some of that pussy, though! The snatch rubbing and one finger fingering from the stud is excellent, and it's made even better by being captured up close. It was nice to see

THE NEXT ISSUE OF V-MAG...

Will be cover-dated Vol. 33 No. 2 and go on-sale December 1, 2026 wherever you buy men's magazines. Or get the digital edition three weeks earlier at www.eBoobStore.com.

This reader is ecstatic that Amber Bloom took a big cock up her ass.

a blowjob and some tit-fucking in the scene before the hard anal bang begins. All I can say is it's exceptional! To begin with, not long after Lorenzo eases his big cock into Miss Bloom's butthole and commences the anal fucking, I liked how he rubbed her snatch while he pounded her on the floor. Following on from this, when Amber rode his huge dick, it was outstanding because I always enjoy watching her big knockers flying all over the place while being fucked. It's the backdoor fucking that really caught my eye! To say this had a vibe would be an understatement because to me it was pretty spectacular and looked like it was built for an anal man like me. The blowjob immediately after the ass banging was great to see. What was so great about the end was seeing the saliva dripping from Amber's mouth and onto her jugs while sucking Lorenzo's knob. The guy's gravy he unloads for her was great! I absolutely fucking loved the ending and what Amber does after. I liked how she mixed saliva with man sauce and rubbed it onto her melons and played with them. That also gave me another chance to stare at her big, beautiful boobs. Plus, look at her pretty face. After this sensational set, I wonder if Miss Bloom will consider doing double penetration. I'll just have to keep my fingers crossed!–Dirty Tel, via email

Dear Tel: Amber hasn't done double penetration yet, but we'll print it as soon as we can if she ever chooses to.

THREE CHEERS FOR MICKY BELLS' FANS.

Dear *Voluptuous*,

I have loved Micky Bells for as long as I can remember. When she first came to SCORE, she took boob porn to another level for me! I particularly love the era where she was a bit heavier and more curvy. Her body, for me, was perfection in the pictures of her from in the white dress and taken in Jamaica. It was great to see all of the different versions of Micky from throughout the years in the special last issue (Vol. 32

Micky Bells changed the game of big-boob porn, according to F.S..

DEMMY BLAZE CONTINUES TO SET HIS HEART ON FIRE.

Dear *Voluptuous*,

Demmy, my love, I've admired you since your very first appearance with SCORE. There's even more to appreciate about you now than ever before. The camera truly adores you, and I'm especially captivated by your lips, eyes, and those sultry looks. You're an absolute delight, and then some.–H.L., via email

HILARY RHODES IS A NEWB WHO'S GAINING ADMIRERS.

Dear *Voluptuous*,

Hilary Rhodes is a glamorous Latina who puts on a mind-blowing solo performance. Looking at those big, beautiful and natural boobs is a tit-man's delight. It doesn't hurt that she has a luscious snatch to match. Her debut (Vol. 32 No. 4) was electric! There are so many things to enjoy with her, but I especially liked it when she sat on the bed and crossed her legs (very sexy). I loved the boob play and the cock-hardening close-up finger-fucking. The best was the dildo penetration and when she inserted the sex toy in her cunt and jumped up and down on it. It was good to see her knockers flying all over the place! I also loved where she laid on the bed, engaged in more pussy play, and gave us a smile because it added even more to an excellent pictorial. Time now to jack off again to her photos.–D.T., via email

Dear D.T.: We like Hilary a lot, and we're sure she has a long career ahead of her. If you didn't know, you can see Hilary Rhodes fuck a lucky stud in SCORE XXX Naturals 2, *now available for purchase on page 99.*

SOME LIKE 'EM SHAVED, SOME PREFER THE FUR.

Dear *Voluptuous*,

Just wanted to say, I'm a big fan of the magazine. It's always a fun read, and you feature some really gorgeous women. That said, I have a suggestion that would make it even better. I've always been into women who are totally natural, so for me, curvy girls who rock a hairy pussy are just the best. I love them thick, both body and bush. There should be more bush in the world. It's a shame more women don't keep full growth. It looks hot. There's something about it that's super sexy and confident, and honestly, I wish I saw more of it in your pages. It feels like a lot of models go for the clean-shaven thing these days, but the all-natural vibe is just so hot and rare now. One of my absolute favorites is Crystal Chase. She's amazing on the XLGirls site and on the cover of VO2903. She always seems so comfortable and like she's really having fun in her scenes, which just makes her even more appealing. If I ever had the chance to be with someone like her, I'd be all about encouraging her to just go for it and live her wildest fantasies—like hooking up with a hot, younger guy, maybe somewhere totally unexpected, like outside at the beach or in a park. The more spontaneous and outrageous, the better, honestly! Anyway, just wanted to throw my two cents in and say I'd love to see more models like Crystal featured. I have a feeling a lot of other readers feel the same way! –H.M., via email

J.B. ALMOST MISSED HIS FAVORITE PICTURES.

Dear *Voluptuous*,

Super hot! I don't know how I missed it, but I just realized that I never opened my copy of VO3101. I felt like an idiot when I pulled the mag out of the bag and saw the two angels on the cover. They're two of my favorite models, and the fact that they were going to make love and let me see the pictures blew my mind. The chemistry between Molly and Holly is absolutely electric, making every picture a pleasure to see. Molly's playful licking of Holly's body with her tongue piercing added an exciting edge, suggesting she wanted to explore even more of every part of Holly even after the cameras were put down. Both women have exceptionally beautiful derrières, which were highlighted well throughout the pictorial. Their confidence and the way they present themselves is genuinely captivating. The anticipation of seeing more,

Hilary told us in her debut that she likes shoving her big boobs into too-small bras to see what reaction she can get from all the guys who stare at her.

Holly Garner and Molly Evans came together for an epic pictorial in VO3101.

especially with the way their backsides were showcased, added to the overall thrill. The pictures of Holly rubbing her toy on Molly's tits and pussy was not only visually stunning, but also looked to be filled with genuine passion and connection between the girls. Many compliments to the lovely ladies on their lesbian fuck session. The energy, playfulness and obvious enjoyment make it truly memorable!–J.B., via email

Dear J.B.: If you loved that pictorial, you're going to love the video. In it, they smack each other's asses until they glow bright pink. Then, Holly puts on a strap-on and fucks Molly's sweet, little pussy. There are some amazing shots of Holly pulling Molly's pussy lips to expose her bright pink slit. It's available in the movie Ultimate Holly Garner *or in the member's section of* SCORELAND.com.

A BRIEF REVIEW OF THE MOVIE *PLUMP DESIRES 3.*

Dear *Voluptuous*,

As someone who just purchased and watched this movie upon this magazine's advice, I have to say it really delivered on the hype. It's rare to find a movie that features not one, but two amazing things. Seeing Molly Evans finally perform her first blow job and tit-fuck scene was a genuine treat. She brought a lot of enthusiasm to her sucking. It was just like I had

THIS READER LOVES WHEN MODELS' NAMES FIT.

Dear *Voluptuous*,

In the rest of the porn world, there are women in their mid-20s playing MILFs. There are supposed "teen" models of the same age. It is so refreshing when these models and actresses are presented exactly as they are, like the newcomer Andrea Busty from last issue (VO3204). She wasn't anywhere close to being the bustiest girl in the mag, but her DD-cup torpedo tits were indeed busty. They were also gorgeous fun bags that made me cum. It's nice and it's getting rarer when you actually receive what's being advertised.–M.K., via email

Andrea Busty delivers. She's got some big titties, and she loves showing them.

Codi Vore

GETTING FILTHY AND CUMMIN' CLEAN.

Jackpot is right. While combing through our vast *Voluptuous* archives, we discovered this never-before-printed set of fan-favorite Codi Vore. How could we not let you see something this good right away? While filming this set (there's a video on *SCORELAND.COM*), Codi asks the cameraman, filming in POV, "You guys wanna watch me get my tits nice and wet?" No self-respecting man would say no to that. In fact, several crew members offered to be her personal towel boy.

We're big fans of wet T-shirt contests, and if Codi brought her 30K-cup bazookas to one, we don't think the other girls would stand a chance. We asked her if she likes receiving compliments about her chest. "I definitely receive attention because of my boobs, but most of it is from women. Strangers will say things in coffee shops, and girls at parties will poke and grab them. Usually, I just roll my eyes. The breast attention I like most is all in the bedroom."

We asked Codi if she minds being famously known as the big-titted blonde. "I'm a lot more than my boobs, but some people have a hard time looking past them. While I think my tits are awesome and I have no trouble showing them, I find that I am more respected when they aren't on display. But they can be hard to hide, and I'm not going to purposely wear clothes that cover them up. That doesn't look good." Codi went on to tell us that, in addition to being a model, she likes swimming, scuba diving, watching movies and playing RPG board games.

FRESH OFF THE RACKS!

NEWCOMER ELODIE WRAY

You'll learn; it's her Wray or the highway

With the face of an angel and an ass that just won't quit, Elodie Wray is set to make the adult industry take notice. She's a 34E-cup, and at just over five feet tall, she'll soon be your short 'n' busty girlfriend. Elodie hasn't yet made her Voluptuous debut, but you can see her in the members' area of XLGirls.com. She hasn't done XXX yet, but we have our fingers crossed that we can convince her to share that with you. Before you see her in the mag, take a minute to get to know her in this enchanting interview.

ELODIE LIKES COOKING, MAKING COCKTAILS AND PLAYING WITH BIG COCKS.

VMAG: First off, you have a beautiful accent. It's very soft. Can you tell us where you're from?

Elodie: I'm from the Lake District of England.

VMAG: That's mountain country, yeah? People go hiking there all the time, right?

Elodie: Yeah. I love hiking.

VMAG: That's a good workout. Do you like doing any other outside activities? Or, are you into sports?

Elodie: Well, I work out most days. I do yoga and pilates. I do some weight lifting. Then there's walking and hiking. My favorite way to work out is through long sex sessions.

VMAG: How about other hobbies? A pretty girl like you has to have a full schedule of dates, but what do you like to do when you're alone at home?

Elodie: I like cooking and baking. Oh, and traveling.

VMAG: Where would you want to travel to right now?

Elodie: I'm not sure. Hmm … I'd want to go somewhere I could go white water rafting. I've always wanted to do something like that.

VMAG: Oh, boy. Your boobs would probably be bouncing around in that raft. I think everybody would like to see that. Do you mind getting attention because of your impressive body?

Elodie: It depends. I first started to develop at 14. I was so self-conscious. The boys would stare all the time. Even to this day, it's hit or miss. Sometimes, I wear a baggy hoodie while trying to hide. Sometimes, I'll be bold and wear low-cut dresses. I call them "booby dresses." And I know that if I'm wearing yoga clothes, I'm always going to have a bunch of eyes on me.

GEARHEAD? C'MON AND CLIMB ON ANAI LOVE

We love fast women. Fast women who appreciate a good ride are even better. Anai Love fits that bill to a tee. She just made her debut in Vol. 34 No. 4 of *SCORE* (available at newsstands or at eBoobStore.com). Her tan lines are tiny, which means she likes to hit the beach in micro bikinis, which is another reason we love Anai Love. Going to the beach and seeing a pair of massive knockers barely covered in an inch of fabric is our dream. SCORELAND.com has plenty of content of her, including our favorite two, and we can't pick which one comes out on top. We'll let you decide which one sounds hotter. First, we have a solo masturbation set where Anai slides a thick, black string of anal beads up her ass while she fucks her pussy with a glass dildo until she squirts. Second, Anai plays a sultry stripper who sucks and fucks a hung patron until he nuts all over her nips.

BEAUTIFUL ANAI LOVE HAS A LOT OF POWER BETWEEN HER LEGS.

Luna Doll

WORKIN' UP A SWEAT WITH A FRENCH NEWCOMER.

Say "Bonjour" to Luna Doll, the beautiful and stacked French model making her mag debut. Her titillating workout photo shoot is sure to get you hot and bothered, especially as you imagine her soft French voice cooing sweet nothings in your ear as she sweats while doing heavy lifting. The load is her tits, of course. She confirmed that she goes to the gym regularly, and she doesn't mind when guys there look her up and down. How could they not? Granted, she also told us that she wears regular bras at the gym, not her sheer white string bikini she's wearing in these shots.

In addition to working out, Luna also likes to ride horses, an activity she's been doing for over a decade. She told us that she's more sexually assertive than passive, so being in the saddle is probably quite comforting to her. The bouncing must be incredible for anyone who gets to join her. She also likes to watch car racing. That's another pastime that can get a girl jumping up and down from excitement.

1999

When we asked Luna how she normally gets off at home, with her fingers or with a toy, she told us she uses a toy just like this one. But, we think that toy must be gathering dust, considering she also told us that she has sex five times a week. We're glad someone is getting to enjoy Luna that much, even if it does make us envious.

Avalon

TAKE A HIKE! THEN JACK IT TO THIS OUTDOOR-LOVING AUSSIE.

G'day, mates! We're heading down under with Avalon, the stacked redhead we last saw in *VO2602*. This Aussie embraces nature, exposes her cannons and spreads and plays with her pussy in the great outdoors. Avalon told us that even though she started developing her boobs at age 15, none of her classmates seemed to notice. "Our school uniforms were shapeless potato sacks. Most of my peers didn't realise that I was so busty unless we hung out outside of school."

We asked Avalon what she likes to do in her spare time other than frolic like a nymph in the woods. Her answer was one of the most uncommon we've ever heard. "I like swimming, yoga, cosplay, writing, baking, painting and mermaiding." Mermaiding? You read that right. That's the practice of swimming while wearing a costume mermaid tail. It's a combo of fantasy, freediving, and dance. Wild! But, that's not all Avalon is good at. We also asked her if she does any sports. She responded, "I was on my school dressage team." For those of you who don't know, that's basically horse ballet, and it's actually an Olympic sport. Avalon is sure full of surprises.

Avalon told us that one of her hobbies is writing, so it's not a huge shocker that she has a way with words. When we asked her what her perfect date would be, she responded, "A lovely white manor in the Maldives with a private beachfront for a small fire where we can lie under the open sky together, the surf dancing in the distance, light casting shadows over bare flesh as we roll around engaged in unhindered play."

Sofia Deluxe

SHE'S HIGH-END, SUPERIOR AND THE DEFINITION OF DELUXE.

It has been a minute since we've seen Sofia, the big-titter with an insatiable appetite for cock and cumming. She told us, "I masturbate constantly, and I like to watch porn. I like to masturbate in different positions. Sometimes lying on my back, sometimes lying on my stomach. I love to use my fingers to orgasm. I was always very curious about sex. My favorite is 69 on all fours." Even though she doesn't do that in this pictorial, she does take it up her ass.

When we asked Sofia if she's into any fetishes, she gave us a really cute response. "I'm into being pampered," she told us. We're not sure if letting a hard-dicked stud gape her tiny asshole would be considered pampering, but she definitely enjoyed the attention. When we asked if she had anal sex regularly, she let us know that she likes it a lot. She also let it slip that she enjoys putting on a strap-on and giving it to guys, too. Now, that's an open-minded sexpot with a wild side.

VOLUME 33 NUMBER 1

Although Sofia just had a one-on-one with a man here, she's not ruling out a girl-girl threesome. In fact, she's already had a few. "I've had encounters with three women, and I enjoyed them very much, even though those were threesomes. I love seeing women completely give themselves over and enjoy me."

Marilyn Rouse

AFTER A DYNAMITE DEBUT, SHE'S BACK FOR A BIG COCK.

Last issue, Marilyn was dressed up as a housemaid. This time, she's barely dressed at all, choosing a few different revealing tops to model before losing all of her clothes and having our stud Zack spread her legs and play with her thick booty. If you'd like to see Marilyn take Zack's big dick between her luscious lips and tight, wet pussy, then log onto the member's area of XLGIRLS.COM.

Marilyn is making a lot of guys happy just by posing for our magazine, but we asked her how she likes to make her boyfriends happy. She told us, "I like to cook a special dish of food for him, surprise him with something new. Maybe lingerie. Oh, and perform a sexy dance and be affectionate." Something else Marilyn would do to make her man and herself happy is disappear into the forest. "If time froze for 24 hours, I would like to just go out into nature. Like, camping out in the woods."

We're sure you've noticed that Marilyn has a killer smile. It comes naturally to her. She's constantly smiling and laughing. We asked her if she's always like that. "For sure. I'm always giggling. Just about everything makes me smile." Isn't that adorable? We also asked her if she's into anything kinky or dangerous. She smirked and replied, "I love being dominated. There's something so hot about [being dominated and] witnessing the other person's pleasure."

Elodie: Anything soft and silky. I want to feel sexy.

VMAG: That's probably not an issue! So, do you always wear bras?

Elodie: No! I like to feel free. I obviously wear sports bras while hiking or exercising or whatnot.

VMAG: Okay. Do you have any special abilities or talents?

Elodie: I can do the crab! I also make the world's best margarita.

VMAG: Hang on, the crab? The thing where you have your hands and feet on the ground, with your back arched in the air?

Elodie: Yeah!

VMAG: That flexibility must be handy in the bedroom.

Elodie: It is. I can also twist myself up into a chubby little pretzel.

VMAG: I hope we get to see that. Changing subjects, do you like to masturbate much?

Elodie: Of course. Mmmm … I love doing it. I believe that private, personal time is so important. That's in the morning and at night.

VMAG: What kinds of dates do you like to go on?

Elodie: I enjoy a nice romantic meal or something active like a hike. So, maybe my dream date would be a scenic picnic by a lake.

VMAG: You've brought up hiking a few times now. Have you ever gotten frisky in nature?

Elodie: Oh, of course! Once, I was hiking with a boyfriend, and we decided to have fun in the woods. The thrill of getting caught made me cum so quickly and hard.

VMAG: How about girls? You sound like you know your way around a cock, but have you explored with other girls?

Elodie: Yes, with a friend. We had too many margaritas, and we were all over each other. Her body was amazing. It was soft, like mine. I didn't want it to ever end.

VMAG: I wish we had our photographer there. I'm imagining lots of foreplay and kissing. What kinds of foreplay work best on Elodie Wray?

thinking about it. Any time I can have a guy between my thighs and licking me for hours and hours, I'll be very happy. I also love having my big tits worshipped, caressed and kissed.

VMAG: I'm sure you have no shortage of volunteers for that. What is your favorite position to fuck in? Most girls we ask answer that it's doggie-style, but we keep asking anyway.

Elodie: I like doggie, but my favorite is lying on my back with my legs held up in the air and spread apart.

VMAG: One of the best! It gives the guy the best view. Okay, now we're going to get to the nitty-gritty questions. What are your sexual fantasies?

Elodie: I've never had a threesome or any sort of group sex, but it's on my priority list. I've always wanted to go to some sort of sex party with loads of people.

VMAG: Are you sexually passive, or do you like taking control of a guy while you're fucking?

Elodie: I'm definitely what they call a switch. I like to submit and I also like to control. Either way, I always get what I want.

VMAG: How often are you having sex?

Elodie: Honestly, as often as I can. I have a high sex drive, but I like to be in a relationship when I have sex.

ELODIE BELIEVES THAT MASTURBATION COUNTS AS SELF-CARE, AND IT'S VERY IMPORTANT.

VMAG: You have what can be described as a nice, big ass. Are you one of those girls who like their ass being played with? Not all are.

Elodie: Grabbing and squeezing are fun, but if you're asking about anal, I like it, but not often because I'm tight and sensitive back there.

VMAG: You mentioned that you like to be in a relationship when you have sex. What is the funniest or most-memorable pickup line that a guy ever tried to lay on you to pick you up?

Elodie: Ha! One time, a guy said that he'd like to be my heart. I was confused and said, "what? Why is that?" He said, "Because I wish I could be pumping inside you."

VMAG: As far as corny pickup lines go, that's not half bad.

Elodie: I still remember it.

VMAG: Finally, do you like giving blowjobs?

Elodie: Yes.

VMAG: When you give blowjobs, do you swallow or spit?

Elodie: I love dick, so I like to make blowjobs long and slow. I always make it nice and wet, too. Oh, and I always make sure to swallow. I guess I'm greedy like that. I want the cum for all of my hard work.

Juliana Dreams

THE BIG-TIT GIRL OF YOUR DREAMS IS HERE.

We haven't seen Juliana since *VO3101*, but we've been thinking about her ever since. When she told us that she had some new lingerie that she wanted to model for our cameras, we just had to jump at the opportunity. Juliana loves shopping for underwear. "I love showing off my body in bralettes and low-cut or V-cut maxi dresses."

As you jack to beautiful Juliana, you should take the time to get to know her. She's one of those rare thick-all-over knockouts who knows how to have a good time. "I used to get very shy and cover up. Now I've embraced all of the attention, and I dress to show off my big breasts. I love it. I go to the gym, make videos, watch movies, cook, watch sports and hang with my friends. I love paint ball, laser tag, bowling, arcades, go-karts and amusement parks."

Los Angeles

Incredibly, Juliana says that she was an A-cup through high school. Normally, boob growth spurts happen way earlier, but she seems to be an outlier. She now wears a 36H-cup bra, and we think that's even a little small for her beautiful knockers. She says that her tits really started growing once she turned 19. When we asked if she ever got unwanted attention because of her rack, she said, "At first I used to get very shy and cover up. But, now I've embraced it and I love the attention. I love wearing small tight-fitting tops."

Alicia

THIS STACKED DEBUTING TEENAGER HAS THE GOODS.

Alicia has never paid attention to her measurements. She knows she's busty, but she's never been measured. Just 18, Alicia enjoys going for walks and reading. Whenever she goes out, she can't help but get noticed. "So much that it gets to the point where I feel uncomfortable because there are women who look at me strangely." They're probably just envious of her seriously big boobs and delightfully feminine curves.

Alicia told us that she prefers strappy bras, and when she goes out, she likes to wear blouses with spaghetti straps that flatter her figure. But, when Alicia is at home, she almost never wears bras. We asked her what the funniest pickup line she'd ever recieved was. We hear a lot of cheesy ones, but this one is wild. She said some guy walked up to her and said, "I wish you were my mom so you could breastfeed me." What a line.

Despite entering the big-boob business, Alicia is still pretty inexperienced with sex. That makes sense for someone her age, but it's still a bit outside of the norm for us. We asked her how often she's having sex. She told us, "From every 3 weeks to every 2 months." She must have had one hell of a time shooting for us because we have two hardcore scenes of her up on XLGIRLS.COM already, and we paired her up with some seriously girthy cocks. She took them gleefully.

my favorite models from way, way back. I've been enamored with her for over 20 years! Even after all this time, I still think about her caramel-colored skin, long, curly hair and tiny bush she used to have. She wasn't just gorgeous, she was one of the reasons I started looking for other full-figured and big-busted women. My wife looks passingly similar to Via, in fact. I often find myself revisiting her classic photo spreads. My old mags from the 90s are wearing thin, but, luckily, her stuff is all on your sites, so that's helpful. I hope your magazine might consider a retrospective feature or interview with her now, as I am certain many other long-time fans would love to know where life has taken her since those memorable days. Reaching deep into the past, this reader remembers Via Paxton fondly.

for considering my suggestion and for continuing to celebrate the iconic women who have shaped the world of *Voluptuous*.–Dan, via email

Dear Dan: Via debuted in our September, 1999 issue, so it's been over 20 years since she first graced our pages. Co-founder of The SCORE Group John Fox once called her boobs, "the best-proportioned, best-looking breasts I've ever seen." Unfortunately, Via retired just five years after she began, so we likely won't be able to get her back for an interview, but we never say never around here.

Kamille Amora

BIG, LUSCIOUS CURVES AND A WELCOMING MOUTH.

It's been too long since we've seen Kamille. She's been busy with her burgeoning music career, but it's nice to know that she hasn't forgotten about us. She also hasn't forgotten how to flaunt her jugs or how to please a cock. Kamille crawls seductively onto the bed, making sure the straps of her new dress fit just right. She calls Nicky Rebel into the room, asking for his thoughts. When Nicky enters and notices how the dress accentuates Kamille's curves and that her tits are spilling out, he pops a boner. That means he likes it!

One of the things Kamille has proven over the years is that she's a true cock pleaser. That means paying attention to the balls, the taint, the tip and the whole shaft. She makes love to Nicky's dick with her lips and tongue. Not to be outdone, Nicky grabs her ass cheeks, spreads her cheeks wide and begins to explore her sweet, juicy pussy with his fingers and tongue. No foreplay session with such a busty beauty would be complete without a little tit fucking session, which Kamille told us is her favorite.

Kamille has said in the past that she used to be a tomboy, but as she grew up, she discovered her femininity and confidence. "I started stripping when I was 18," she told us. "I love being naked." We can tell by the way she eye-fucks the camera while our stud slides his big dick in and out of her snug slit. Kamille loves sex in all positions, but one stands out as her all-time favorite. "It's definitely doggie," she told us. Sometimes, if a guy fucks her just right, she can squirt. "That's the most satisfying thing ever."
